

MILITARY PRESENCE

Chapter 13: APEX HILL, THE GOVERNMENT, AND THE END OF AN ERA

1-When the village of Apex Hill was created in the mid-1950's, what was the first building to be built there?

2-Who was the first Inuk to build a house in Apex Hill with modern insulation?

3-According to Jayko Pitseolak, who was choosing the site for the new house and how was the construction undertaken?

4-Iqaluk Ipeelee mentions one negative impact brought by the changes in the Arctic. What is he referring to?

5-How is the American presence in Iqaluit remembered by the elders in general?

6-To what exactly are the elders attributing most of the changes in their life?
