

## Chapter 12

1. How did John Amagoalik find the atmosphere in Russia during his 1990 trip?
2. Describe the recognition that the Australian government maintained towards its aboriginal populations up to the 1970s.
3. What were the three bases for claims as established by the State of Queensland in 1991?
4. What year was the Inuit Circumpolar Conference founded?
5. How long did it take before the Soviet Inuit were allowed to join?
6. How does John Amagoalik describe some of the characteristics that differentiate Northern populations?
7. What concerns do they all share?
8. Draw a parallel between the personal journey of John Amagoalik and the social reality of Northern populations.
